# A Welcome Note from the Vicar

Welcome to St Stephens – we are delighted that you are here today.

We strive to ensure that we are a fresh and welcoming community where everyone is made welcome and everyone knows that they matter, both to us and to God.

St Stephen's is alive with vibrant worship, intimate prayer and growing friendships. We value both the traditional and contemporary and you will find that our different services reflect a variety of ways of worship. Our desire however is that whatever the style, as people meet together they encounter the presence of our living God.

As a Christian community we are committed to following and trying to live like Jesus. We look for ways to love and serve each other and our wider community and seek to provide for those who are often forgotten by society at large.

During the summer many of our mid-week activities take a break but our Sunday worship continues at the usual times. You can read details of our summer series elsewhere in this bulletin. Whilst many regular activities stop others take their place including a whole church breakfast, our trip to New Wine and the children's holiday club.

Have a great summer.

Steve Neubold

## Margaret Phillips

Margaret, who died recently, just before her 98th birthday, was a long-standing member of St Stephen's and well known to the church community. Margaret was a children's nurse, eventually becoming a nurse-tutor at Hammersmith Hospital. She was a quiet, prayerful person, who is said to have had a 'powerful presence' and a willingness to serve. About 9 years ago, her health deteriorated and her extended family took her to live with her identical twin sister in Sidcup. Eventually they moved into a nursing home together near the family's new home, near Leighton Buzzard. They settled well and were fondly supported by Margaret's niece, Anne and her nephew, John. Margaret's sister died two years ago.

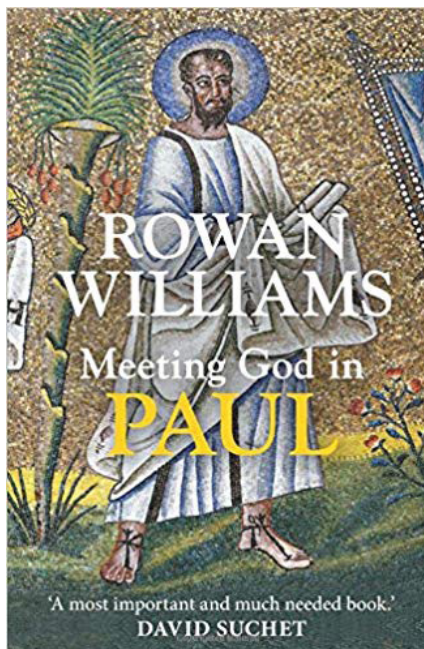

# Bookstall

Here are two well recommended books for Summer reading! These and much more on the bookstall.

Multi-award winning spirituality writer Philip Yancey is loved throughout the world for his honest, insightful and inspirational writing. His quest to unravel the mysteries of prayer reads as the journal of a fellow traveller: questioning, challenging, lamenting the unexplainable and rejoicing in the discovery of awesome insights. His journey is beautifully illustrated with moving true stories drawn from around the world. **PRAYER: DOES IT MAKE ANY DIFFERENCE?** tackles the following questions: What is prayer? What difference does it make? Why and how should we pray? What about unanswered prayer? How should we understand prayer for physical healing?

Fresh insights into Paul's revolutionary message by one of the world's great living theologians. Rowan Williams explores the essentials of Paul's thought for complete beginners - as well as for those who've read Paul's letters many times before and want to see them in a fresh light. Written at a highly accessible level, this book would make a perfect gift for anyone thinking about confirmation, while also appealing to people who are curious as to why Paul has had such a profound influence on Christian history and belief.

Please visit the Bookstall. As well as books to sell we have a selection of books you can borrow.
